Green

Go Green

What does it mean to be environmentally green?

"Going green" means to find out and follow environmentally friendly decisions and lifestyles, which can help protect the environment and look after natural resources for current and future generations.

Design a logo to support this very worthwhile cause. Email us your ideas.

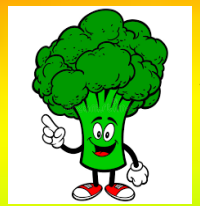
Wicked

Wicked is a Broadway musical that has been successfully running both in America and the UK for 17 years. Watch the official trailer

https://www.youtube.com/watch?v=nrpLayS57cY

What are your first impressions of this trailer? What techniques are they using in this trailer to encourage people to watch the show?

Healthy Eating



There are lots of delicious green foods. Design a plate of food that is healthy, balanced and includes lots of greens. Have you included each of the required food types on your plate?

Find out…

What does the saying 'The grass is always greener on the other side' mean? Where does it originate from?

The Children of Woolpit

There is a mysterious story about two children who were found in a village in Suffolk. Research this and find out why their story is such a strange one…

Thunk! **If the answer is green what is the question?**

Sketch

Using nothing but green pencils sketch something that is not normally green. Does it look very different?

Photograph

There are lots of different shades of green leaves. Gather lots of leaves and make a collage using as many shades as possible. Send your photographs to us to add to our rainbow display.

Challenge!

How many adjectives can you think of to describe the colour green?
