|---|---|---|
| **Every day:**<br>• **Read for at least 30 minutes.**<br>• **Practise your multiplication tables** – you can use TT Rockstars for this.<br>• **Spellings** (from the word lists handed out at the beginning of the year). | **Remember you can use these websites:**<br>**IXL:**<br>https://uk.ixl.com/signin/chartridgecs<br>**TT Rockstars:**<br>https://ttrockstars.com/<br>**Purple Mash:**<br>https://www.purplemash.com/sch/chartridge<br>**CAMHS (coping with stress and anxiety during these uncertain times):**<br>https://www.camhs-resources.co.uk/coronavirus | **Tick activity once completed**<br>✓ |
| **English: 1 hr**<br>**Creating an Infomercial – lesson 2**<br>In yesterday's lesson, you planned and began writing your own infomercial based on the impacts of Coronavirus and how we can remain safe.<br>Begin today by watching the adjacent YouTube clip on plastics once more so that the structure is clear in your head.<br>Remember the success criteria for your infomercials:<br>1. Some information about the impacts of the virus.<br>2. Clear advice on how we can stay safe and alert (see adjacent link for Government advice).<br>3. A memorable ending slogan that reminds us about social distancing.<br>Then, complete the planning of your infomercial. Proof read it for any grammar, punctuation or spelling errors and make sure you have covered the three criteria above.<br>Once completed, you will need to prepare to perform it to an audience. Try this on your own first – you may wish to do it in front of a mirror so you can see what the audience will see!<br>Once you are confident that you have met the success criteria, perform it to an audience of your choice! | **Links/resources:**<br>**Coronavirus advice:**<br>https://www.gov.uk/coronavirus<br><br>**Plastic Ocean (YouTube):**<br>https://www.youtube.com/watch?v=mjRS3VxUUzQ | |
| **Maths: 1hr**<br>**Theme Park Maths**<br>Today is the second lesson of our Theme Park Maths project which will run for the entire week and part of next week. There are a total of 7 tasks to complete (the 7th is an extra challenge task for if you finish the other 6 more quickly than planned).<br>Use today's lesson to finish off the planning of your them park. You will need to colour in each of your attractions and facilities being sure to keep each category the same colour e.g. all category 1 rides will be red. Include a key to help you remember which is which. Then complete your tally chart of the different rides you have included and how much of your loan you have spent. | **Links/resources:** | |
| **Foundation subject (Art): 1 hr +**<br>**Mandala Art**<br>A mandala is a complex abstract design that is usually circular in form. In fact, "mandala" is a Sanskrit word that means "circle". Mandalas generally have one identifiable centre point, from which an array of symbols, shapes and forms emanate. | **Links/resources:**<br>**Attachment 1** Mandala Art 02.06.2020. | |

| | | |
|---|---|---|
| Mandalas can contain both geometric and organic forms. They can also contain recognisable images that carry meaning for the person who is creating it.<br><br>In essence, mandalas represent the connection between our inner worlds and outer reality. Designing your own mandalas can be both inspirational and therapeutic.<br><br>Your task today is to create your own Mandala. Use **Attachment 1 Mandala Art** to guide you through the process. | | |
| **Home Project: British Red Cross – First Aid**<br>This week, your home project is to learn a little about **first aid**. Begin by clicking on the adjacent link which will take you to the British Red Cross website and specifically the section on first aid. Scroll down the page and watch the video entitled **'Introduction to the Red Cross'**.<br>Once you have watched that short clip, you can continue scrolling down the page and **Meet the Characters** who will help you learn first aid.<br>After that, scroll down further and click the red button that says **'>FIRST AID SKILLS'**. This will take you to the section that I would like you to focus on. Here you can learn about why first aid is important and choose up to 8 first aid skills to learn about.<br>****You do not need to click on any of the 'Educator Download' links – this if for teachers if we were learning the skills in class.**** | **Links/resources:**<br>**British Red Cross – First Aid:**<br>https://firstaidchampions.redcross.org.uk/primary/ | |
