Chartridge School Home Learning - Year 6

arichardson25@bucksgfl.org.uk

Date: 03/06/2020

Every day: • **Read for at least 30 minutes.** • **Practise your multiplication tables** – you can use TT Rockstars for this. • **Spellings** (from the word lists handed out at the beginning of the year).	**Remember you can use these websites:** **IXL:** https://uk.ixl.com/signin/chartridgecs **TT Rockstars:** https://ttrockstars.com/ **Purple Mash:** https://www.purplemash.com/sch/chartridge **CAMHS (coping with stress and anxiety during these uncertain times):** https://www.camhs-resources.co.uk/coronavirus	**Tick activity once completed** ✓
English: 40 mins **Story Writing** Today will be the first lesson out of 3 where you will be **planning** (lesson 1), **writing** (lesson 2) and **editing** (lesson 3) a **story** of your own based on an image from Pobble365 (see adjacent link). I would like everyone to work on the same image – **Lost**. A copy of the image will also be on the school website. In the first lesson, you will be planning your story using the Story Plan template. Begin by working through the questions in **'Question time!'** on the website and have a read through the **'Story Starter'** if you are struggling for inspiration. Next, work on your plan (**Attachment 2 Story Plan**). It is split up into all of the sections needed for your story as well as space to think about your setting and characters. Once the plan is complete, stick it into your workbook ready for the next lesson!	**Links/resources:** **Pobble365:** https://www.pobble365.com/lost/ Attachment 1 Story Image 03.06.2020 Attachment 2 Story Plan 03.06.2020	
Maths: 1hr **Theme Park Maths – Task 2 / 3** Today you will be completing the **Task 2** from your Theme Park Maths booklet. In the last two lessons, you designed your park and completed a table recording everything that you had spent out of your original loan. The next task focusses on the costs of running your park each day. You will need to fill in the table to calculate the costs for **YOUR** theme park. Be careful though as some of the costs are not given as an amount per day and you will need to work this out before you can apply it to your park. Once you have filled in the Total Costs per day for each item, you will need to add them all together to work out the Total Operating Costs per day for your entire theme park. If you have some time left at the end, then move on to **Task 3** and have a look at what you can charge people visiting your park (Price Category) based on the attractions and facilities that you have built.	**Links/resources:**	
Foundation subject (Geography): 1 hr **Coasts** This term, we will be focussing on a new geography topic: **Coasts**. In this first lesson, we will be learning about the Isle of Wight	**Links/resources:** **Attachment 3 South East England** 03.06.2020. **Attachment 4** IoW Map 03.06.2020	

and using map work to learn more about Make a list of the facts you know about IOW and what you would like to find out about. Begin by searching in an atlas or on google maps to find a map of the British Isles and the Isle of Wight or alternatively look at **Attachment 3 South East England**. 1. Where is the Isle of Wight (IoW)? Where is it in relation to Chartridge? How would you travel to the IoW? Mark the route you would travel by road on **Attachment 3 South East England** starting at **Chartridge** and ending at **Cowes** using a pen (choose a colour that will stand out!)**.** Can we get all the way to the IoW by road? The journey involves a specific type of transport from Southampton to Cowes. Can you mark this on your map? Use a dashed line. 2. Using the blank map in **Attachment 4 IoW Maps**, locate and mark the following main towns on the IoW with a **small, filled in, black circle**: Newport, Ryde, Cowes, East Cowes, Fishbourne, Sandown, Shanklin, Ventnor, Carisbrooke, Freshwater and Yarmouth. **HINT:** Us the red 'A' roads to guide you. Make sure you always write horizontally. 3. Next, use to mark on the following tourist attractions with a **small, filled in, red triangle**: The Needles at Alum Bay, Wight Water (near Sandown Bay), Osborne House, Shanklin Chine, The Donkey Sanctuary (just north of Wroxall), Carisbrooke Castle and Blackgang Chine. Label them clearly (horizontally). 4. Finally, add any other details that you would like to include (other roads, airports etc.) from the map before creating a key for all of your symbols.	**Attachment 5** IoW Tourism Map 03.06.2020.	
Home Project: British Red Cross – First Aid This week, your home project is to learn a little about **first aid**. Begin by clicking on the adjacent link which will take you to the British Red Cross website and specifically the section on first aid. Scroll down the page and watch the video entitled **'Introduction to the Red Cross'**. Once you have watched that short clip, you can continue scrolling down the page and **Meet the Characters** who will help you learn first aid. After that, scroll down further and click the red button that says **'>FIRST AID SKILLS'**. This will take you to the section that I would like you to focus on. Here you can learn about why first aid is important and choose up to 8 first aid skills to learn about. ****You do not need to click on any of the 'Educator Download' links – this if for teachers if we were learning the skills in class.****	**Links/resources:** **British Red Cross – First Aid:** https://firstaidchampions.redcross.org.uk/primary/
