Chartridge School Home Learning - Year 6

arichardson25@bucksgfl.org.uk

Date: 04/06/2020

Every day: • **Read for at least 30 minutes.** • **Practise your multiplication tables** – you can use TT Rockstars for this. • **Spellings** (from the word lists handed out at the beginning of the year).	**Remember you can use these websites:** **IXL:** https://uk.ixl.com/signin/chartridgecs **TT Rockstars:** https://ttrockstars.com/ **Purple Mash:** https://www.purplemash.com/sch/chartridge **CAMHS (coping with stress and anxiety during these uncertain times):** https://www.camhs-resources.co.uk/coronavirus	**Tick activity once completed** ✓
English: 60 mins **Story Writing** Last lesson you planned out your story based on the image **'Lost'** (see adjacent link). Today, it is time to write your story! Make sure you make use of your plan but don't feel that you can't adapt it as you go – sometimes our best ideas come to us as we are writing! Do not spend time today worrying about you spelling or punctuation – this is your first draft and you will be editing during the next lesson. It would be a good idea to have a look at the image again before you begin writing so that it is fresh in your memory. Write the story in your workbook.	**Links/resources:** **Pobble365:** https://www.pobble365.com/lost/ Attachment 1 Story Image 04.06.2020 Attachment 2 Story Plan 04.06.2020	
Maths: 1hr **Theme Park Maths – Task 3 / 4** Today you will be completing the **Task 3** and **Task 4** from your Theme Park Maths booklet. In the last lesson, you calculated the daily costs for your theme park. You may also have had a look at Task 3 where you need to decide upon a Price Category that you are able to charge people visiting your park. If you have not completed Task 3 yet, then do so now. Remember, you can apply a Price Category if you have at least the number of attractions/facilities detailed within it. It is also important to know that it is a best fit model so decide which is the closest to what you have built in your park. Once you have completed Task 3, move on to Task 4. Here you will need to work out how much money you will make from **Gate Takings** for each day in your first month of opening. To do this, you will need to multiply the Price category you selected in Task 3 by the number of people visiting each day as detailed in the table in Task 4 e.g. Let's say my park fir into Price Category 3, I would multiply £10 by 50 to get £500 for Day 1.	**Links/resources:**	
Foundation subject (Games): 1 hr In school today, we are having a Game On lesson with Brad. Use this as an opportunity to get some exercise at home! Head into the garden with another family member or even on your own and take part in a particular sport. It could be football, badminton, hockey or you could even come up with your own game! The choice is yours.	**Links/resources:**	

Home Project: British Red Cross – First Aid This week, your home project is to learn a little about **first aid**. Begin by clicking on the adjacent link which will take you to the British Red Cross website and specifically the section on first aid. Scroll down the page and watch the video entitled **'Introduction to the Red Cross'**. Once you have watched that short clip, you can continue scrolling down the page and **Meet the Characters** who will help you learn first aid. After that, scroll down further and click the red button that says **'>FIRST AID SKILLS'**. This will take you to the section that I would like you to focus on. Here you can learn about why first aid is important and choose up to 8 first aid skills to learn about. ****You do not need to click on any of the 'Educator Download' links – this if for teachers if we were learning the skills in class.****	**Links/resources:** **British Red Cross – First Aid:** https://firstaidchampions.redcross.org.uk/primary/
